## LPDC Tune Up

November 16, 2017

9:00-11:00 AM

NCOESC Tiffin Campus - 928 W. Market St., Tiffin, Oh 44883

Apryl Ealy from the Ohio Department of Education will provide a best practices session for Local Professional Development Committees. This session will include topics such as writing effective individual professional development plans, focusing on professional development standards and locally identified goals and objectives, the licensure renewal process, and the consistently high performing teachers exemption. Other topics may be included as well.

The professional development committees are welcome to use the time after Apryl's presentation as a work session. The room will be available the remainder of the day.
